

# WELCOME BACK NEWSLETTER

## WELCOME BACK!

We hope everyone has had a wonderful summer holiday and is raring to go for the new academic year! We're looking forward to seeing all our learners, and to welcoming some new faces too.

We have some new faces of our own - so there's a quick reminder of our teaching staff below.

We've also had some building work done over the summer, and are excited about the new areas we will be using from next week: three new classrooms, a new food tech room, therapy room, VR room and Active Wall!
